

AN ALLIANCE OF CALIFORNIA OBOD GROVES AND SEED GROUPS

house of DANU

To all who are interested in Druid culture:

Druid groves and seed groups of California have formed an alliance to provide a spiritual home for all isolated members of the Order of Bards Ovates and Druids (OBOD) in the West: The House of Danu. Joining this house is not restricted to members of OBOD, but is open to anyone interested in exploring Druid culture.

From the primordial waters of the Pacific, Danu calls to you. Come to the Gorsedd for the Festival of Lughnasadh, July 31 to August 3, 2009. The House of Danu gathers for this celebration of California Druid culture where we bring forth our enchanting music, vibrant dance, visual arts, Druid merchants, poetry, drumming, storytelling, workshops, games, OBOD initiations, Bardic evenings around the campfire, a magnificent Eisteddfod, and a grand procession for the sacred ritual of Lughnasadh that you help create.

It will be held at the spectacular Buddhist Retreat Center known as Pema Osel Ling in the coastal redwoods near Monterey, California: 4 days and 3 nights of camping or fixed lodgings including all meals that will be prepared by wedding chefs.

We are inviting members of all Druid orders, and pagans interested in Druid culture, to join us in this celebration. Our facilities are limited to 250 participants, so act now to secure your place at this historic event. Enter this magik portal www.houseofdanu.com and I will see you on the other side.
